Subject : Electrohomoeopathy

Sir,

I am directed to refer to your letter No. 213/E.H.M.A.I./100/2017-18, dated 16/01/2018 on the above subject, and to state that in this Department's letter No. V.25011/15/2017-HR (Vol. III) (C.No. 3130201), dated 21.12.2017, factual position relating to the stand of the Government with regard to the alternative systems of medicine (including Electrohomoeopathy) – which are not recognised by the Government – has been intimated.

2. You have now referred to the reply given in this Department's letter No. V.25011/15/2017-HR (Vol. III) (C.No. 3130201), dated 10.01.2018, addressed to Shri S.Rabithul Basaria, Madurai, who had requested for permission for practice in Electropathy medicine system. It may be stated that the facts indicated in this reply are in line with Government's present stand on the subject, and it is not at variance with what was stated in this Department's letter, dated 21.12.2017, referred to above.

3. In this connection, it may be stated that in response to this Department's 'Notice', dated 28/02/2017, a number of proposals, seeking recognition for Electrohomoeopathy as a system of medicine, were received from different bodies. These proposals were considered by a committee, constituted by the Government, on 09.01.2018. The matter is still under consideration.

Yours faithfully,

  
(Om Parkash)
